Message from the President

Greetings All!

Last year we faced many challenges as an organization and were faced with some tough decisions. Thanks to the hard work of our staff, board, and volunteers and through your generous support, we were able to turn this adversity into an opportunity for growth.

The challenge over our proposed housing is coming to a good conclusion. We added a new staff member to focus on outreach and client services. Most importantly we are bidding a sad farewell to our Executive Director, Anais Tomezsko, and enthusiastically welcoming her replacement, Ian Yaffe.

We look forward to sharing more successes and new hopes and dreams with you in 2010.

Chloe Dowley
Board President
